REHABILITATION PROGRAM ALTERATION

Under section 37 of the *Safety, Rehabilitation and Compensation Act 1988*

INFORMATION FOR EMPLOYEES

Changes to your rehabilitation program

If your original rehabilitation program changes, the delegate of your rehabilitation authority (usually a Case Manager) is required to complete a rehabilitation program alteration form.

Your rehabilitation program alteration details the changes to your original rehabilitation program. It should be developed in consultation with you and your Case Manager, and may involve discussion with your supervisor, your treating doctor and if relevant your approved workplace rehabilitation provider (WRP). It contains goals or rehabilitation objectives, and details costs, time and actions considered necessary to achieve these goals or objectives.

If you are satisfied with the rehabilitation program alteration you should sign it and your Case Manager will give you a copy.

If you have any concerns or experience difficulties undertaking the altered rehabilitation program speak with your Case Manager or WRP as soon as possible.

NOTICE OF RIGHTS AND RESPONSIBILITIES

What is a determination?

A determination is a decision. In this case a decision made concerning the details of your rehabilitation program by the delegate under s. 37 of the *SRC Act 1988*. Section 37 of the *SRC Act 1988* sets out the matters your delegate should have considered in making the determination. These details are also provided on the signature page of this form.

What if I don't agree with a determination made by the delegate?

If you do not agree with the determination made by the delegate you may request that Comcare reconsider the determination.

To request a review of your rehabilitation program

You must provide the following information to Comcare within **30 days** of receiving the determination:

- > a copy of the rehabilitation program
- > a written request for a reconsideration explaining why you don't agree with the determination
- > any new information that supports your request, such as medical reports that have not previously been considered.

Send the information to:

Reconsiderations team
Comcare
GPO Box 9905
Canberra ACT 2601

30 day limit

If you are unable to put your request to Comcare within 30 days, you may apply for an extension of time.

What happens next?

Your employer will receive a copy of your request for reconsideration and may provide a response to Comcare. Comcare will consider the available information and will decide to affirm, revoke or vary the determination.

What are your responsibilities?

You are to:

- > actively participate in any rehabilitation program developed by your Case Manager or WRP in consultation with you;
- > implement any recommended and agreed changes to your work practices, workplace environment and/or home environment in consultation with your employer to minimise the chance of further injuries or accidents.

What if I do not participate fully in the altered rehabilitation program?

If you refuse or fail, without reasonable excuse, to participate in the rehabilitation program provided by your employer, your rights to compensation entitlements under *the SRC Act 1988* (excluding medical treatment costs), and your right to institute or continue any proceedings under *the SRC Act 1988* will be suspended until you participate in the rehabilitation program. This means you cannot claim retrospective compensation entitlements (excluding medical treatment costs) for the period of that suspension. Entitlements can only be reinstated on and from the date upon which you recommence participation in your agreed rehabilitation program (see ss. 37(8) of *the SRC Act 1988*).

Note: If you decide to have a solicitor help you with this process, any legal costs will be your responsibility regardless of the outcome of Comcare's decision.

Privacy

In collecting, using and distributing the information on this form, your rights are safeguarded by the *Privacy Act 1988* which prevents the use of this information other than for compensation, rehabilitation and workplace health and safety purposes.

What if I want copies of documents held on my files?

You can write to Comcare requesting the documents you need held by Comcare.

Requests for information held by your employer or WRP should be directed to them.
