

On the general tab under 'Browsing history' click Delete..., and the 'Delete browsing History' opens. On this page the following boxes should be ticked. Note - This page could differ on different versions of Internet Explorer.

Note - For more information 'About deleting browsing history' click this link.

Click 'Delete' and the page this returns to the 'Internet options' page

Click 'OK' on the 'Internet options' page to complete the process.

Finally, refresh the web browser by selecting 'Shift and F5' together. The icon will spin as it is refreshing; the refresh is complete when the Icon on the tab has stopped spinning.
