ATTACHMENT A: NDS WORK STATUS CODES

Code	Status	Description	Definition
01	Working	Working with no income maintenance – unknown employer	Employee is currently working and it is unknown whether work is with pre-injury employer or different employer and is not receiving any income maintenance.
02		Working with no income maintenance – pre-injury employer	Employee is currently working with the pre-injury employer and is not receiving any income maintenance.
03		Working with no income maintenance – different employer	Employee is currently working with a different employer and is not receiving any income maintenance.
04		Working with income maintenance – unknown employer	Employee is currently working and it is unknown whether work is with pre-injury employer or different employer and is receiving income maintenance. Income maintenance payments may be due to the employee working fewer hours than prior to the injury/disease or due to the employee working the same hours but in a job with lower remuneration and is receiving top-up payments.
05		Working with income maintenance – pre-injury employer	Employee is currently working with the pre-injury employer, but is receiving some income maintenance. Income maintenance payments may be due to the employee working fewer hours than prior to the injury/disease or due to the employee working the same hours but in a job with lower remuneration and is receiving top-up payments.
06		Working with income maintenance – different employer	Employee is currently working with a different employer, but is receiving some income maintenance. Income maintenance payments may be due to the employee working fewer hours than prior to the injury/disease or due to the employee working the same hours but in a job with lower remuneration and is receiving top-up payments.
07		Working – capacity unknown	Employee is at work however it is unclear whether the worker is back at full or partial capacity, or is or is not receiving income maintenance.
08	Not working	Not working with no income maintenance	Employee is not working and is no longer receiving income maintenance. For example, redundancy, retrenchment, resigned, studying, seasonal worker.
09		Not working with income maintenance	Employee is not working at all and is receiving income maintenance.
10		Deceased	Employee is deceased. Includes deaths related to the compensated injury and death unrelated to the compensated injury.
11	Unknown		Employee is no longer eligible for compensation and his or her work status is unknown. For example, employee has reached retirement age, payment thresholds have been reached, or a redemption lump sum has been paid and the work status is unknown. <i>This code may be used as a default code where there is no work status for an individual.</i>
